

7.3 First Minute of Ms. Fye Monitoring Allison and Jonathan Transcript

Ms. Fye is using the [Introduction to the Sine Graph](#) Desmos Task in a remote synchronous class session.

[First Minute of Ms. Fye Monitoring Allison and Jonathan](#)

Transcript:

Jonathan: I have a question for number eight.

Jonathan: I don't really know like the exact value with this.

Ms. Fye: I was just going to ask you about number eight. Okay.

Ms. Fye: So what are your initial thoughts?

Allison: Wouldn't it be 360?

Jonathan: We put we put 360, but like, I feel like.

Allison: I think it's 360.

Ms. Fye: Yeah.

Jonathan: Okay.

Allison: Yeah, cause when you're looking at [unclear speech], like the point

Allison: It's like,

Allison: so the first one for example

Allison: is at 90,

Allison: but it's at 90 comma one.

Allison: And then the next one is at 450.

Allison: So like the distance in between that is 360 when you like
